LOUDOUN COUNTY PUBLIC SCHOOLS
COMMUNITY INFORMATION MEETING

Loudoun County Public Schools (LCPS) will hold a community information meeting to review a proposed Safe Routes to Schools (SRTS) sidewalk and trail connection project along Tripleseven Road on Monday, January 27, 2020, at Countryside Elementary School, in the library (20624 Countryside Boulevard, Sterling, VA 20165), at 7:00 p.m. In the event of inclement weather, the meeting will be rescheduled for Wednesday, January 29, 2020.

LCPS, jointly working with the County of Loudoun, has received funding through the Federal SRTS program to improve pedestrian access to identified schools. The SRTS Program was established to enable and encourage children to walk and bicycle to school. The federal funding is intended to facilitate the implementation of projects that will not only improve safety but will also reduce travel fuel consumption and air pollution in the vicinity of schools. Ultimately, the program seeks to encourage a healthier and active lifestyle from an early age.

LCPS is planning to add a five (5) foot sidewalk and crosswalks along the east side of Tripleseven Road between Glade Street and Heather Glen Road in the VDOT right-of-way and a five (5) foot asphalt trail on the west side of Tripleseven Road connecting to the existing east/west trail located between Tripleseven Road and Countryside Boulevard. An additional trail is proposed from the existing east/west trail, across LCPS property, to the school. These pedestrian connections would enhance the opportunity for students to walk or bicycle to school. The proposed pedestrian improvements are depicted on the enclosed graphic.

The purpose of the meeting is to share information with the surrounding community on the proposed project. If you are unable to attend this meeting, please contact LCPS Division of Planning Services for further information. In addition, information will be posted on the LCPS website (www.lcps.org), under the “Discover LCPS” for “School Attendance Zones,” and “Safe Routes to Schools” (https://www.lcps.org/Page/208899).

If, due to a disability, you need assistance to enable you to participate meaningfully in the above meeting, please contact this office at least FIVE WORKING DAYS prior to January 27, 2020 meeting date.
