Subject: Feedback Needed: Park View High School Replacement Project

Thank you to everyone who attended Loudoun County Public Schools (LCPS) first Park View High School (PVHS) community meeting last night. This meeting was just one of many conversations LCPS' Department of Support Services will hold with the PVHS community on their new school, including information on the design and construction process as well as the consideration of special programs by the Department of Teaching and Learning.

If you were unable to attend this first meeting, future community meeting dates will be announced as the architect develops a schedule to allow the PVHS community to experience the design process in real time.

We want to hear from you!

We welcome all feedback, comments and suggestions at any time via our [PVHS Replacement Project Feedback Form](#).

For project details, visit the [PVHS Replacement Project website](#).

Thank you!

Department of Support Services
