

How Do I Determine My Planning Zone?

From the LCPS Planning & GIS Services webpage (<https://www.lcps.org/domain/27213>), click on the **Attendance Zone Look-Up Tool** link. You must read and agree with the disclaimer to access school attendance zone data. Select **Current School Year** to enter your address information and then click on **Find Address**.

LCPS Attendance Boundary E-Listing

LABEL (LCPS Attendance Boundary E-Listing) contains boundary information for the current school year as well as future school years as adopted by the Loudoun County School Board.

Once adopted, school boundaries become effective on the first day of school for the school year that they represent. However, boundaries may be altered as deemed necessary by the School Board.

[LCPS provides no guarantee that a residential address will continually be served by the same elementary, middle or high school. For further information, please refer to LCPS Policies and Regulations, 6530 Changing School Attendance Zones.](#)

Please click on the button below that represents the system you would like to use.
