Welcome to
Loudoun County Public Schools

Loudoun County, Virginia is one of the fastest growing counties in the United States. As Loudoun County continues its rapid growth, the Loudoun County Public School (LCPS) system is also growing. In response to requests from staff members, teachers, parents and other Loudoun County residents, the Division of Planning Services for LCPS has developed this set of maps and directions to Loudoun County Public School facilities.

For the purpose of this document, the county has been divided into six geographic areas. Working from west to east, these areas are: Western Loudoun, Central Loudoun, Ashburn, Dulles North, Dulles South, and Eastern Loudoun. Please use the alphabetical index provided to determine in which area you can find a particular facility.

Directions are provided from two locations. Directions from Leesburg are referenced from the Leesburg Courthouse. Directions from Dulles are referenced from the Dulles International Airport. As an added convenience, we have included directions using local toll roads. Many of the school administrative offices are located at the Loudoun County Public Schools Administration Building (directions on page 24) in Dulles North.

For clarity’s sake in this guide, highways are identified primarily by their number, not by their name. In our area, Rt. 7 is also referred to as Harry Byrd Highway. Rt. 15 is also referred to as James Monroe Highway. Rt. 50 is also referred to as John Mosby Highway. You will find that some numbered highways have more than one name; for example, Rt. 659 is referred to as Belmont Ridge Road north of Rt. 50, and as Gum Springs Road south of Rt. 50. For this reason, the numerical designation is cited as the primary identifier for major roadways.

**Disclaimer:** Every reasonable effort has been made to ensure the accuracy of these data. No warranty, either expressed or implied, is offered as to the accuracy or usability of these maps and/or directions for any purpose. Users assume full responsibility for any application of the information contained within this document.

For information on what schools serve a specific Loudoun County address, please contact the Division of Planning Services at 571.252.1050, or check online at http://www.lcps.org/domain/27213. Click on the Attendance Zone Look-up Tool link.

---

1 The Leesburg Courthouse (18 E. Market Street, Leesburg) stands at the intersection of Rt. 15 and Rt. 7 in downtown Leesburg, which is in central Loudoun County. 2 Dulles Airport (1 Saarinen Circle, Dulles) is located near the eastern edge of Loudoun County, encircled by Rt. 28, Rt. 50, and the Dulles Greenway.
