## Go for the Gold Campaign

Dear Families,

Summer 2021 is filled with excitement! We are beginning to travel more, Hovatter construction is progressing and the Olympics are here! With each day, the opening of Hovatter is becoming a reality! As we prepare for the school year, needs for materials and supplies beyond initial construction and build out are great. We have identified several instructional items and start up supplies which we would like to have in place at the beginning of school for our students and teachers.

Opportunities are available for our families to contribute their time and talents as we embark on this first year together. Just as it takes many bees to complete the work within the hive, we too will need the help of many! Once we are cleared for occupancy in the school building, we hope to secure adult volunteers in supporting the many tasks associated with the opening of a new school. We also ask you to consider a financial contribution, if you have the means, to help us outfit the school with materials teachers often purchase on their own. There are various levels of contribution in our **Go for the Gold Campaign**.

<b>GOLD Level Sponsorship</b>	<b>SILVER Level Sponsorship</b>	<b>BRONZE level Sponsorship</b>
		
\$2000 or more	\$1,000 or more	Any donation amount up to \$1000

### **Instructional Items needed:**
