

Hovatter Elementary

BUSINESS SPONSORSHIP CAMPAIGN

We are so excited to “bee” opening the newest school in Loudoun County Public Schools; Hovatter Elementary. The school is under construction and will be opening its doors in the Fall of 2021 to over 1000 students in Aldie, Virginia.

As a new school, needs for materials and supplies beyond initial construction and build out are great. We have identified several instructional items which we would like to have in place at the time of start up for our students and teachers.

Our mascot is the Honeybee. Chosen for its ability to collaborate and specialize, each type of honeybee plays a significant role in the success of the hive! We believe each community member also plays a role in the success of our students! Please consider the level of sponsorship your company would like to contribute.
