

LCPS COVID-19 Procedures for 2023-2024

Symptomatic Individuals with a Positive Test

For symptomatic individuals, the date symptoms began is day 0.

- Isolate for 5 days after symptoms began.
- May return day 6 if symptoms improved and fever free for at least 24 hours *without the use of fever reducing medication*.
- CDC recommends wearing a mask on days 6 – 10 when around others however, **LCPS does NOT require anyone to wear a mask.**
- Please inform the school if your child has tested positive for COVID-19.

Asymptomatic (without symptoms) Individuals with a Positive Test

For asymptomatic individuals, the date the test was administered is day 0.

- Isolate for 5 days after test administered.
- May return day 6 if remains asymptomatic.
- If symptoms begin anytime during isolation, day count starts over to 0 the date symptoms begin, then follow directions for return as above for symptomatic individuals.
- CDC recommends wearing a mask on days 6 – 10 when around others however, **LCPS does NOT require anyone to wear a mask.**
- Please inform the school if your child has tested positive for COVID-19.
