4.02 FY23 Budget Updates – addition of 9 RNs to elementary schools; HCS will be moved to Secondary SNA positions.

4.03 Bylaws – a draft presented; time was given to look over and discuss with a shoulder partner. Dr. Goodfriend had questions regarding membership; do we want to make a least one member from each category parent, health care professional etc.; recommendation to remove on page 2 to leave exact meeting dates; School Board does membership; #B Evaluation of status of school health – status and operational parts we are responsible for. Develop a survey that we can gain information of Health Education; Based on the data we see and eventually in the August update to the Board and making a recommendation. How do we lay out next year regarding the data; Survey plan for next year; bring the evaluation for status. Jeannie says building the agenda for people to bring for – does this go into the bylaws; Do we want the meetings to be held virtually? 2# D and or Dr. Bowers you don't need to be a resident of Loudoun
G #1 would we be making recommendations – would this committee be making the recommendations. SHAB would be making the recommendation/ or the School Board would be making the recommendation Add that SHAB will make recommendations to the School Board. We will take the Bylaws for review.

4.04 Annual Report – August 2022

Loudoun County Public Schools Student Health Advisory Board

Annual report

Immunization site;

impairment screening tool gave us the ability to go down a checklist; It gave us the ability to go on.

Health Aid were put in the schools this years. The HCS will be put in the secondary school to help the nurse.

The Health Dept offered to come to us and have been traveling to the high schools; 385 students immunized; MCV vaccine data We can learn from this data; what practices can we put in place; and what nurse are getting the job done and how they do this. This information was sent out to all the rising seniors.

- a. Draft will be provided in July for SHAB member input
- b. Highlights for 2021-2022 - SURVEY
- c. Recommendation for 2022-2023 - SURVEY

4.05 Melanie Myers - MHSADS - requesting to terminate SHAB membership - FY23

5. New Business

5.01 Dr. Goodfriend question the rising middle school students – trying the instrutments and then get sick; it happens during winter; Micheal Pearson worked with the epid/ and came up with a plan; they ordered mouth pieces that go on the instrutments. We get past covid hopefully this practices stays in place. Dr. MCCabe – sees kids that run the pacer with asthmatic conditions.

Amy Wheeler is asking are you seeing canabis use. Use is increasing nationally; they have a problem with vomiting; and the nausea meds don't stop the vomiting. Education for vapor and canabis is needed for students.

Jordan is continuing the partnership with the school resource officers.

Chris Knott is leaving Melanie Myers is stepping down and we will be replacing these members in the future.
