

Dear Sycolin Community,

My name is Jennifer Boyle and I am thrilled to be joining the Sycolin family as an EL teacher. I will be spending mornings with the Sycolin Creek Salamanders and afternoons with the Catoctin Cardinals.

I live in Ashburn with my husband Todd and my Boston Terrier, Sophie. My oldest daughter Abby is graduating from the University of Southern California this year and will stay in LA, and my youngest daughter attends High Point University. I love walking my dog, reading great books, and working with children.

After graduating from the University of Maryland with a degree in Elementary Education, I have spent ten years teaching in kindergarten, second grade and fourth grade. My passion for early literacy combined with my desire to make meaningful connections with students so that they can reach their full potential led me to earn my certification for teaching EL learners in 2019. My greatest hope is to meet the needs of EL students at Sycolin for years to come.

The EL program provides students with instruction in the English language by emphasizing listening, speaking, reading, and writing skills. The goal of the program is to build a foundation in the English language that will enable EL students to succeed in each academic content area.

Please feel free to contact me at any time! My email address is [jen.boyle@lcps.org](mailto:jen.boyle@lcps.org).

Warmly,  
Jen Boyle
