

MTSS: Response To Intervention

WHAT IS RTI?

Loudoun County Public Schools

Response to Intervention (RTI)

RTI is a multi-step approach to provide interventions to students at increasing levels of intensity. ([Source](#))

RTI Involves

- Small group intervention instruction based on the student's targeted areas of strength and need
- Instruction is completed in addition to core content learning
- The student's intervention plan is modifiable based on student's progress

EXAMPLES

A student who is a skilled reader receives additional support in number and number sense in math

A kindergarten student who knows the names of each letter receives additional literacy interventions to support them in building phonics knowledge
