COUNTY COUNSELORS MONTHLY RECAP

- Counselors met with a diverse group of stakeholders (student, teacher, parent, and administrator) to discuss, review, and advise the implementation of our school counseling program. We are thankful and appreciative of all who participated. We are excited to implement changes to further grow our program for our students and families!
- Two of our counselors visited Sweet Briar College for a campus tour where they learned about the various programs, amenities, and history of this women’s college located in Virginia.
- Counselors participated in the LCHS Trunk-O-Treat. We loved seeing all the littles dressed in their costumes!

We look forward to meeting more families through a variety of school events!
GOVERNORS SCHOOL

Residential Governor School Applications are due to the counseling office by December 14th. More information can be found by using this link or contacting Mr. Croyle in the counseling office.

ACADMIES OF LOUDOUN

Students who are interested in MATA should schedule a time to talk with their counselor.

Application Window: December 6 - February 15
** PSAT scores are required **

Please review the ACL Admission Webpage and contact Academies Admissions directly with questions regarding the application process.

HUGH O’BRIAN STATE LEADERSHIP SEMINAR
(ATTENTION SOPHOMORES)

The Loudoun County High School Counseling Office has the opportunity to send one student to the Hugh O’Brian State Leadership Seminar during the summer of 2022. At HOBY, high school sophomores explore their leadership potential through inspiring leadership development programs. State Leadership Seminars are three-to-four-day residential programs, typically held on a college or university campus. This summer’s location is TBD.

Please stop by the counseling office to see Mrs. Burnett for more details about this opportunity and the application process if you are interested.
WORLD KINDNESS DAY

To continue to recognize World Kindness Day, which was on Saturday, November 13th, PEER is hosting a campaign to Paws for Positivity. They will have daily announcements and social media posts on how positivity is powerful on so many levels. It improves communication, facilitates understanding, and promotes patience. The week will culminate with a visit from Healing House, in which service dogs will visit Lunch on the Lawn.

HBCU COLLEGE SHOWCASE

Tuscarora HS will be hosting the 7th Annual Historically Black Colleges and Universities College Showcase. This event will be held virtually on Wednesday, November 17 from 7-9 pm. Families can register via the flyer.

TOBACCO FREE TOOLKIT

Families looking for additional resources on vaping and tobacco use, please review this toolkit provided by Virginia Department of Health.

BOX BREATHING ACTIVITY

Students and families looking for a simple, but helpful tool for breathing during times of stress and anxiety, please look at this flyer!
