SENIOR SURVEY

The seniors at LCHS will be asked to complete a senior survey during the week of May 9th in their Government class. The information collected in the survey will help the counseling department determine where to send the student's final transcript and help collect information related to scholarships.

Students need to be prepared to answer questions related to college acceptance, merit-based scholarships from the colleges, and any additional awards or scholarships they have received to date.

If a senior, does not complete the Senior Survey, there could be a delay in sending their final transcript.

PAL WELLNESS SERIES

Prevention Alliance of Loudoun (PAL) will be hosting virtual seminars for parents on various mental health wellness-related topics for youth and teens.

If you have any further questions regarding AP/SOL testing, please contact Kristina Taylor.

All students entering the 12th grade must submit proof to the School’s Health Office that their student has received the Meningococcal Vaccine (MenACWY, Menactra, or Menveo) given at age 16 or older.

Please schedule your student to receive this vaccine at your earliest convenience.

Please do not wait until the last minute to have your student vaccinated or to submit proof of vaccination.

Students will not be permitted to begin school on August 25, 2022, without proof of vaccination.

Rising 11th & 12th graders who have signed up to take a Dual Enrollment class for the next school year must complete the registration steps by Friday, May 13.

Dual Enrollment Registration Steps

Questions: Contact Anna Mitchum in the Counseling Office.

** Students who fail to register by the deadline will be removed from English 12 DE and placed in English 12 Academic.

There are several upcoming summer programs. Please browse the pdf below to see different options available.

2022 Summer Program List
The official flower of the military child is the dandelion. Why? The plant puts down roots almost anywhere, and it’s almost impossible to destroy. It’s an unpretentious plant, yet good-looking. It’s a survivor in a broad range of climates. Military children bloom everywhere the winds carry them. They are hardy and upright. Their roots are strong, cultivated deeply in the culture of the military, planted swiftly and surely. They’re ready to fly in the breezes that take them to new adventures, new lands, and new friends.

Experts say that military children are well-rounded, culturally aware, tolerant, and extremely resilient. Military children have learned from an early age that home is where their hearts are, that a good friend can be found in every corner of the world and that education doesn’t only come from school. They live history. They learn that to survive means to adapt, that the door that closes one chapter of their life opens up to a new and exciting adventure full of new friends and new experiences.
