- Good morning. This is Coach Alexander of the boys basketball team. We have a big game tonight against Tuscarora at home in the Raider gym at 7 pm. I'm asking the Raider Riot to fill the stands tonight and get loud! As you know, we've had a great season so far and much of our success can be attributed to the great support we get from our student body and THE Raider Riot.

The team needs your energy and excitement! We thrive on that! Now with that being said, and with the Raider Riot being the best there is – there comes a huge responsibility to making sure that we cheer appropriately and not allow any forms of derogatory, inflammatory, or mean-spirited chants or statements. So please – show up, be loud, but refrain from any cheers that are inappropriate or hostile in nature.

The team needs you and loves you – so let's be a student cheering section the school and community can be proud of! Let's set the standard for what a student cheering section should look like and sound like!

Tip off is at 7 pm. There will be some Raider jersey giveaways at 6:30 pm so get there early! Thank you for your support and GO RAIDERS!!

Students - there is a new policy regarding early dismissals as follows:

- Students should bring a parent note to the attendance window prior to the start of the school day (9:15 am), or
- Personal appearance to the main office (with ID) by parent/guardian/emergency contact to release student
- Students that are 18 years of age or older, will no longer be able to sign themselves out. They must follow the same dismissal procedures as other students.
- We will not accept emails, phone calls, or faxes from parent/guardian to release the student from the school for reasons of safety and security. If a note is not provided in the morning, the parent/guardian must come to school to sign them out for early release.
