

Dear Parents and Students,

A warm welcome coming from your new first grade teacher Mrs. Stewart! Our summer is coming to a quick close, and it is almost time to start our 2022-2023 school year. I hope that you and your family had an exciting summer, full of fun and good times!

Just to let you know a little about me, I have been teaching for 28 years and simply love teaching at our elementary school. My hobbies include reading, riding bikes, and being a dedicated mother/teacher. I enjoy spending time at the beach, swimming at the pool, and taking long walks around the neighborhood.

I have two beautiful children of my own named Thomas and Carissa. Thomas just graduated from VA Tech this year and is beginning his career in computer science engineering. Carissa is a proud JMU sophomore, pursuing her interests in the science field.

Parents, I truly believe that education is a partnership between the home and school. I am looking forward to partnering with each of you to ensure that your child has a wonderful school year! May you enjoy the remainder of your summer and I hope to see you soon!

Yours in learning,  
Mrs. Vergeres-Stewart
