

LOUDOUN VALLEY HIGH SCHOOL

In order to minimize interruptions to classes and disruption to the school routine the following have been implemented:

- When dropping off lunch or other items for your child, please leave them on the table in the main foyer. This drop off is intended to be for your child only. We do not accept food or other items intended for a group of students - please see the teacher or sponsor to arrange for that in a different way. Communicate with your child to pick up the item between classes only – students will not be allowed to leave a class to pick up items left at the front foyer table. Items left on the table will not be supervised and are left at your own risk.
- The school does not permit restaurant food deliveries at any time during the school day.
- This is a “closed campus”. Visitors are not permitted unless arranged in advance, in writing with teachers and administration.
- Early Dismissals are to be arranged in advance, in writing (notes brought to the desk before 8:50 am) or by e-mail, at least an hour in advance (valleyed@lcps.org).
 - Parents are not required to sign out their student as long as the student has an early dismissal pass from the office.
