The image shows the top portion of the Loudoun County Public Schools website. On the left is the school district's logo, which is circular and contains a shield with a red and white checkered pattern, surrounded by the text "Loudoun County Public Schools" and "Established in 1870". To the right of the logo, the text "Loudoun County Public Schools" is displayed in white on a dark red background. Further right, there are two buttons: a home icon with the text "DISCOVER LC" and a "TRANSLATE" button with a downward arrow icon. Below the website header, a photograph of a classroom is visible, featuring a whiteboard and a filing cabinet. Overlaid on the right side of the photograph is a "Select Language" dropdown menu. The menu lists several languages: Sinhala, Slovak, Slovenian, Somali, Spanish (highlighted in blue), and Sundanese. A white arrow points from the text "Click here for Spanish" and "Haga clic en 'Spanish' (Español)" to the "Spanish" option in the dropdown menu.
