

Woodgrove High School Campus Goals 2022-2023

1. All students will receive the necessary academic and social-emotional supports to help better connect them to other students and the staff.
2. At least eighty percent of students in each subgroup will agree that they find the advisory activities personally meaningful and relevant.
3. At least eighty percent of students in each subgroup will be present and involved in at least one co-curricular activity or community group during the year.
4. Compared to previous data, an increased enrollment in the percent of all students registering to take at least one Honors/AP/DE class in the 2023-2024 school year, with a special emphasis on the lowest-enrolled groups during 2022-2023.
