

Woodgrove High School Campus Goals 2023-2024

1. All students will receive the necessary academic and social-emotional supports to help better connect them to other students and the staff.
2. At least eighty percent of students will agree that they find participating in Advisory yields personally meaningful and relevant connections with staff and peers.
3. At least eighty percent of students will be present and involved in at least one campus-based co-curricular or extracurricular activity during the year.
4. By working toward Goals 1-3, the number of chronically absent students (absent 10% or more of the time) will be reduced by at least 10% from the 2022-2023 level.
