

The Mission of Woodgrove High School is to enable all members of the school community to think critically and act responsibly, while preparing students for their futures.

- We believe that critical thinking means using knowledge to make informed decisions and to solve problems, both independently and collaboratively.
- We believe that we must be responsible for achieving our own goals, for contributing to society, and for being effective global citizens of the world around us.
- In order to be successful, we must all Work, Honor and Strive.
