

Behind the Wheel

We will HOPEFULLY be able to start BTW after June 10th, unless the Governor changes things. We will be teaching all summer, current situation permitting, and students can print the paperwork off of the county website. Please email Melissa Vangilder, Melissa.VanGilder@lcps.org, with your names and eligibility date for your license to get on the list. Any questions regarding BTW can also be forwarded to Melissa.VanGilder@lcps.org

As soon as we get the green light, we will begin driving!!!!
