Gifted and Talented Education Information

Students enrolled in 2nd Grade during 2019-20 School Year:
2nd Grade CogAT Information

Due to the impact of school closures on the LCPS gifted eligibility process, **Cognitive Ability Test** (CogAT) scores for second grade students will be released to parents/guardians in mid-May and viewable in ParentVue. To help you understand how the CogAT scores are used as part of the gifted eligibility process, please read the attachment about the CogAT:

Students enrolled in 3rd, 4th, and 5th Grade during 2019-20 School Year:

The gifted education identification process and timeline has been impacted by the closure of schools due to COVID-19. The Gifted Education Department will follow guidance provided by the Virginia Department of Education regarding how to move forward with evaluations for gifted services. We will continue to keep you updated as this situation evolves. Thank you for your continued support of your child's education.
