Adult Education Program (18+)
Are you interested in receiving your GED? English classes? Personal Improvement? Register with the LCPS Adult Education program! Registration can be completed online. Adults MUST register before attending a class. Registrations are processed in the order they are received and are not accepted after the start of a class.

Lunch and Breakfast in LCPS
LCPS works hard to provide nutritious meals for our students. At this time we offer gluten free and vegan diet alternatives. Any other special dietary request must be supported by a statement explaining the requested food substitution and must be signed by a recognized medical authority. Students are also welcome to bring lunch from home.

Your student(s) may be eligible for free meals or reduced price meals! Apply online or submit a paper application to your student’s school.

Free English Courses
The Loudoun Literacy Council (LLC) hosts free English classes for adults. Adults registering for classes take a placement test to determine their level: beginning, intermediate, or advanced. The LLC meets with students to ascertain their personal and professional goals and motivation for taking the class. The LLC teaches life skills that are tailored to students’ needs and goals.
