Dear Parents and Guardians:

We are pleased that your student has chosen to take an Advanced Placement (AP) course this year and want to assist you in planning for the AP exam, which will be administered this spring. Please review the following information carefully.

Students, parents, or guardians are responsible for the cost of the AP exam. Each exam is \$86.00, with the exception of AP Seminar and AP Research, which are \$134. Each school's on-line payment portal will open on **September 17, 2020** and close on **November 6, 2020 at 5:00 PM**. Within the portal, students will need to select the name of the AP test(s) they wish to take. Please contact your student's school to discuss the process for accepting cash or check payments.

- If registering online you may access the Online School Payments from our website <https://www.lcps.org/woodgrove>.
- When on the main page of our website please scroll down slightly and look to the left side for Woodgrove High School Short Cuts.
- Under Woodgrove High School Short Cuts you'll find Online School Payments <https://www.lcps.org/domain/19798>.
- If you have questions about AP payment please <mailto:Stephanie.Butler@lcps.org>.

Students who register for an AP exam after November 6, will be charged a \$40.00 late fee, per late registration, in addition to the exam fee. Refunds will be provided to students who cancel their AP exam or fail to test. Requests for a refund should be emailed to the School Testing Coordinator. If a family needs to arrange for a payment plan or anticipates difficulty in paying for the exam, the family should speak confidentially with Ms. Fiore. If your child receives free or reduced lunch, AP exam fees are covered by LCPS, but your student must still complete the online registration for the exam(s).

The AP exam administration schedule is attached. Parents/guardians/students must provide their own transportation to the school on the day of testing. Please make every effort to schedule vacations, appointments, or other activities on dates that do not conflict with the testing dates. Make-up testing is permitted for verified emergencies only. Morning exams begin at 7:45 AM and afternoon exams begin at 12:15 PM, with exams lasting between 4-6 hours. Student may not be dismissed from an exam until all students have finished testing. If a student is scheduled to take two exams on the same date and time, please let Ms. Jarvis know as soon as possible so an alternate testing schedule may be arranged for one exam. Additional information for parents and students can be accessed through the [College Board's site](#) and the [LCPS website](#). If you have further questions about AP exams, please contact your child's school counselor.

Sincerely,

Mr. Shipp
Principal
