

WHAT IS LCPS PARTNER?

#LCPSPARTNER

CAREER AND TECHNICAL EDUCATION
COMPUTER SCIENCE
COMMUNITY CONNECTIONS

LCPS Partner was established in 2020 as an entry point for business, industry and community members to connect with the Office of Career and Technical Education (CTE), Office of Community Connections (CC), and Office of Computer Science (CS). With the support of businesses and community members, LCPS Partner provides work-based learning, experiential learning, and future-ready opportunities.

CAREER AND TECHNICAL EDUCATION

Work-Based Learning Opportunities

COMMUNITY CONNECTIONS

Future Ready Opportunities

COMPUTER SCIENCE

Experiential Learning Opportunities

To get involved and connect with the appropriate LCPS point of contact, please complete the LCPS Partner Survey Part I.
