

How It Works: SAT®/ACT® Essentials

Reach your target score with free resources from Tutor.com and The Princeton Review®

Preparing for the SAT or ACT? Our self-paced resources, created by a team of test-prep experts, are available to you free from Tutor.com!

Get Started

Log in to your Tutor.com account and click **SAT/ACT Essentials** in the top navigation bar. From there, you can choose to start prepping for the SAT, ACT, or both.

1

Identify Your Dream Schools

Use our **Target Schools College/Grad Planner** tool to research your best-fit schools and crucial topics like admissions stats, tuition and financial aid, and campus life. By finding schools that match your interests and aspirations, you'll be able to see the target scores that could help you earn admission and win merit-based aid.

2

Set Your Targets

Set your **target test date and your target scores** on the home page. This will help you stay on track and moving toward your goal.

3

Take Practice Tests

Click on the **Practice Tests** tab to take a full-length practice test on paper or online. Use a timer like on the real test, or take it untimed to get a feel for what to expect. You can retake the test as many times as you'd like, and track your progress over time.

5

Get Your Score Report

Once you've taken a practice test, you can view your full score report. You'll be able to see your overall score as well as what you scored for each section.

The **Areas of Focus** section at the bottom of the report will show your areas of strength and opportunities for improvement. Here, you'll also receive video lesson and practice drill recommendations personalized to your current needs.

Continue Your Practice with Additional Drills and Lessons

Click on the **Coursework** tab to find all our video lessons and practice drills for each core concept covered on the test.
