

COMPUTER SCIENCE

Honor Society

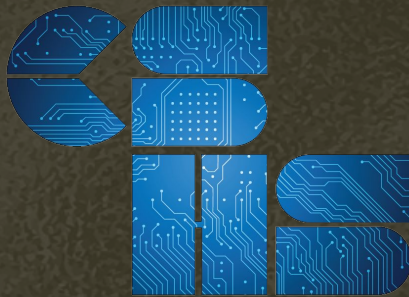

CSTA

Who are we?

We are an Honors Society for computer science that encourages and advocates students to gain a better understanding about how computer science can be used to help others. Our main organization is the Computer Science Teachers Association (CSTA), who's main missions is to spread the passion of computer science among students in high school.

Goals and Activities for the Year

- Peer Tutoring
 - For computer science students that may need more help in programming or assignments
- Hackathon
 - Later in the year
- Get Togethers with Food
 - We'll bring in donuts!
- Fundraisers

Requirements

- Must be in or have taken a higher level Computer Science related course with a GPA of 3.0+
 - AP Computer Science A
 - AP Computer Science Principles
 - Cybersecurity Software Operations
 - Etc.
- 2 Hours of Volunteering
- Member Fee of (\$15-\$20)
 - Depending on the Total Member Amount for the Year

Where and When?

- First week of each month (Once a Month)
- Tuesdays at 8:45 AM in Mr. Van Der Linden's Room
- Seniors who complete requirements can order cords in March for a fee

How to Join?

If you are interested and meet the requirements to join the club please scan the code below and fill out the form.

Leadership

If you want to have a leadership role in CSHS please fill out the form below. Give us a little description of what you can contribute and in our next meeting there will be an anonymous vote.

THANK YOU!

We Hope to See You Soon!
