The Principal’s Points

We are now running full steam ahead towards the end of the 2014-2015 school year finish line. This means that there is little time left before standardized assessments are given and final grades are earned for all courses. I would like to remind students that although fourth quarter is already underway, there is still time to improve your academic standing in some of your courses. Many teachers are available during students’ PRIDE blocks for academic assistance. Furthermore, teachers may also make themselves available before or after school should students request time to meet. It is very important that students come to class prepared and ready to learn.

The next few weeks will include review and preparation for the upcoming AP and SOL tests. Please be diligent about arriving to school on time and being in school each and every day. As the end of the school year approaches, many important events ensue. I urge you to check the school calendar on our website for important dates and event information. Should you need any information regarding dates or events, please feel free to call the school directly.

April 12th – 18th, Park View will be participating with other local high schools in the Loudoun International Youth Summit. Students within LCPS will be hosting an array of delegations from around the world to discuss issues that these students face daily. This event is student run and planned and will offer our students excellent opportunities to learn and experience first-hand the realities of other cultures.

Counselors continue to work with students regarding their course selections. Please communicate with your students about their course selections for the 2015-2016 school year. Early in May we will mail home a copy of students’ preliminary course selections. Please understand that course selections will need to be finalized at the end of June and changes after this time will be very difficult to guarantee.

Finally, take an opportunity to thank our awesome assistant principals next week (April 13 – 17) during National Assistant Principals’ week. Our school would not be as successful as it is without the efforts of Mr. Powell, Ms. Piccolomini, and Mr. Washington. Additionally, April 22 is Administrative Professional (Secretaries) Day. Thank you to all of the secretaries for their tireless efforts in supporting the instructional environment on a daily basis.

Thank you for your continued support of our school community. I look forward to seeing many of you at the numerous upcoming events.

SPRING REMINDERS FROM THE CLINIC

If your child has asthma, and uses an inhaler, please make sure you have provided the school nurse with doctor’s orders for it. As the weather warms up PE classes will move outdoors and may be running more. Please contact me in the clinic if you are not sure about documentation.

To find forms for medical conditions (such as the asthma/inhaler form),

Go to the LCPS website - [www.lcps.org](http://www.lcps.org).
At the top you will see a tab “PARENTS”. At the middle of the page find the link for “Medication at school”

At the bottom of that page you will see “Health Forms for Various Needs” which will take you to forms for Allergy, asthma/inhaler, medication at school, Seizure, Diabetes. (please note that new doctor’s orders are needed yearly), restricted activity (such as for after an injury or surgery) and other forms.

If your student uses allergy medicine, a parent must provide it; I do not stock it in the clinic.

I am in the clinic from 8-4 daily. Please call me at 571-434-4504 if you have any questions.

Thank you!

Linda Merola, school nurse.

Library Media Center News

Reading Matters @ Your PVHS Library

It’s been an exciting spring at PVHS Library, and it promises to get even better. During the 3rd quarter, students came to the library for a number of interesting research projects. For example, the 12th grade English classes researched inspiring public figures, 10th grade English classes researched topics to enhance their understanding of Macbeth, and biology classes worked to understand the classification of living things. Reading specialist Karen Banks and librarian Candace Rush lead students through an extended study of the Underground Railroad. One 11th grade English class even wrote, directed, and edited short commercials using the PVHS library’s green screen equipment and video production technology.

The PVHS library staff partnered with Loudoun County Public Library for two events. The first, to celebrate Teen Tech Week, was an after-school video game hour on March 10. The participants enjoyed getting to know other gaming enthusiasts, met their local teen services librarian, and are now more aware of the technology and gaming opportunities available at Sterling Library.

Staff from Loudoun County Public Library also visited Park View High School on March 16 to inform students of the many benefits of a public library card. Students were particularly excited about Hoopla, a new service that allows library members to download movies, music albums and books to use for a two week period. Visit library.loudoun.gov or stop by Sterling Library for more information.

Fourth quarter we will again work with Loudoun County Public Library, this time to bring award-winning author Meg Medina to Park View High School on April 27! According to her website Meg Medina.com, the author is “about strong girls, tough circumstances and the connecting power of culture.” She will meet with students to discuss her work and the writing process. The visit is a collaboration between the Park View English department, the PVHS library and LCPL. We are grateful to Loudoun County Public Library for including Park View High School in Ms. Medina’s tour of Loudoun County, and for providing copies of her books to the school.

National Library Week is April 13-17. This year’s theme is Unlimited Possibilities @ Your Library. National Library Week is a great time for students to learn more about the services PVHS Library offers. We are open before and after school, and students are welcome to stop by for personalized reading recommendations or to get help with technology, just to name two examples.

Another possibility for exploring the library involves the Junior/Senior prom, which is on May 29. PVHS librarians can direct students to a wealth of resources for budgeting, style inspiration and even crafts to make their own accessories. If you are on Pinterest, check out the PVHS Library prom page at Pinterest.com/ParkViewLibrary/prom and look for a special prom display in the library during May.

During fourth quarter, PVHS library staff will be inventorying the collection. Inventory is essential for ensuring an accurate catalog. The data acquired during inventory will allow the librarians to use digital analysis tools to better plan for the future.

Finally, June will be here before we know it. Just a friendly reminder: all PVHS library materials are due on Friday, June 5. Per LCPS School Board policy, payment must be made for any lost or damaged materials. Students who have overdue books after June 5 will receive deficiency notices, and will not receive their report cards until items are returned or payment is received. Seniors should note that if they fail to return materials (or make payment), they will not receive their diplomas. Please encourage your student to return all library books and other materials by June 5. The school library does not charge fines for materials that are returned late, but it is our responsibility to ensure that the library collection is available for use by the entire student body.

Feel free to contact the librarians with any questions or concerns by phone (571-434-4500) or by email (Candace.Rush@lcps.org and Kathleen.Brito@lcps.org). We would also be delighted to see you, so please stop by!
Reglas de la asistencia
2014-2015

Todas las notas de salida temprana deben estar en la oficina de asistencia antes de las nueve de la mañana o el padre del estudiante tendrá que entrar a la escuela para recojer el estudiante y firmar la salida del alumno. NO se aceptan llamadas telefónicas para las salidas tempranas. Si la nota no está en la oficina de asistencia antes de las nueve de la mañana, una nota de permiso puede ser enviada por fax a la escuela para que el estudiante pueda salir temprano. El número de fax de la escuela es 571-434-4501. O pueden mandar un mensaje electrónico a Lynne.Rose@lcps.org o a Linda.Miller@lcps.org.

Para los estudiantes con permiso de salida temprana: cuando hay un horario diferente de lo normal, la salida temprana es basada en el periodo del día no en el tiempo. Por ejemplo: si el permiso de salida temprana es después del periodo 7, entonces el estudiante está requerido a estar en la escuela hasta el fin del periodo. El permiso no está basado en el tiempo.

No se aceptan las razones familiares como una razón justificada para la llegada tarde o salida temprana, a menos que la razón sea escrita específicamente clara. No se aceptan de haberse levantado tarde ni de haber mucho tráfico como tardanzas justificadas aunque el estudiante tenga una nota escrita del padre.

Salidas tempranas para ir de viaje son sin excusa. Todas las solicitudes de vacaciones, salidas del país, etc. deben ser presentadas en escritura al director de la escuela, Sr. Dolson para su aprobación. Todas las notas deben ser entregadas en un mínimo de dos semanas antes de la primera ausencia. Se requiere la documentación apropiada para cualquiera ausencia, tardanza o salida temprana, para ser considerada con excusa. La documentación apropiada se define como una nota del doctor o dentista, sistema judicial o de otros documentos como se considere apropiado. No se aceptan notas de los padres como ausencia justificada.

PARA LOS ATLETAS: Para poder participar en una actividad deportiva o en la práctica de cualquier día, el atleta o gerente debe informar a la escuela hasta las nueve de la mañana, una nota de permiso de la escuela para la llegada tarde o salida temprana. No se aceptan excepciones para las citas del médico o dentista o razones aprobadas por el director de la escuela. Se requiere una nota del dentista o médico para calificar a esta excepción. Por la ley del estado de Virginia sólo las siguientes son razones válidas para llegar tarde: citas médicas o dentales, enfermedad, judicial, o muerte en la familia. Para que una tardanza sea justificada, los padres del estudiante deben llamar o enviar una nota. La nota de los padres NO excusará la cita médica, dental o judicial. Sino el estudiante debe proveer una nota del médico oficial o un documento de la corte para que la tardanza sea justificada.

La salida temprana se permite por enfermedad personal, muerte en la familia, las citas médicas, comparecencias ante el tribunal o las fiestas religiosas. Un estudiante que desee salir de la escuela con una de las razones anteriormente mencionadas, él deberá presentar una nota de su padre a la oficina de asistencia antes de las nueve de la mañana. Si el estudiante se olvida de presentar su nota a la hora designada, el padre debe entrar a la escuela para firmar la salida del estudiante. EN NINGUN CASO LAS LLAMADAS TELEFONICAS SERAN ACEPTADAS. Si el padre se olvida de enviar una nota con el estudiante, tiene que enviarlo por fax o entrar a la escuela.

Eso es para la protección de su estudiante y la administración. Muchas gracias de antemano por su cooperación.
