The Principal’s Points

I cannot believe that my first year as principal of Park View High School has come to an end. The school year has flown by, and there are many successes from which we can positively reflect and build on for the 2015-2016 school year. I want to thank each of you for your continued dedication and support of our endeavors this year. Success within a high school is truly a community effort.

I would like to thank John Mossesso and Laura VanDyke for their dedication and efforts within our PTSO. Furthermore, I would like to thank all of the parents who volunteered their time and talents to offering our teachers and students support throughout this school year. A special thanks to those parents who are assisting this year’s senior class with their class project. We are always seeking more parental involvement within our PTSO organization. This is an excellent way to become even more connected to the Patriot Nation and know how our school works.

Congratulations to the Class of 2015! I hope that this school year has proven to be a positive experience for you all. I know that the future has lots in store for you as you transition into a very exciting time in your lives. I look forward to seeing each of you at graduation on June 14, 2015 at 2:00pm at the George Mason University Patriot Center. Seniors, I will leave you with this – You have a lot of choices to make IN LIFE. Make great ones!

Following graduation our Project Graduation committee has planned an incredible experience for our graduates. The all night graduation party will take place at Claude Moore Recreation Center on June 14 from 10:00pm – 4:00am. A special thanks to Brenda Sheridan and Beth Harman for their efforts in making this special event occur for the Class of 2015!

We have already begun planning for the 2015-2016 school year. Students have made their course selections for next school year. If you have any questions regarding schedules or course selections, please be sure to contact the school counseling office immediately. As this is our final newsletter of the school year, I would like to remind you that our summer office hours will be 8am – 4pm. Additionally, Park View’s roof will be replaced this summer; therefore, at times, the school may not be accessible to parents and students due to construction.

We look forward to welcoming students back to school on August 31, 2015.

Thank you for a great year!

Summer Tips

STUDENTS: College and career searches should not stop over the summer break. This is an excellent time to do research and make visits to colleges.

The School Counseling Office is open over the summer, but please be advised that there will be a lot of construction going on and conditions will not be optimal in the building (we are getting a new roof). We would love for you to drop in if you need any assistance with anything, but please call first so we can apprise you of the condition of the building before you arrive. Also, please know that while Mrs. McCombs and Mr. Bauer will be available during much of the summer, the counselors will be off from June 22 – August 5.

In the meantime, all students have access to “Family Connections by NAVIANCE” and should visit this site often. If you forget your password, see your counselor. Below, are more tips for summer activities:

Summer Reading Slide

Something is waiting for many students every summer, and their parents don’t even know it’s out there. It's called the "summer slide," and it describes what happens when young minds sit idle for three months. Children who do not read over the summer will lose up to three months of reading achievement. Summer reading loss is cumulative. By the end of fifth grade children who lose reading skills over the summer will be three years behind their classmates. By the time students are seniors in high school there is even a greater gap between students who are “school-ready” in August, and those that are not. Summer is the time when students can CHOOSE THEIR OWN BOOKS TO READ. Choice is extremely important to students. They spend the greater part of their in-school time being told what to read. Generally ASSIGNED reading is NOT what students WANT to read. The public library is open all year. Books, magazines, comics, e-books, newspapers, anything students choose to read is what they should be reading during the summer. It is just as important to talk to students about what they are reading. Reading does not have to be a lonely, solo activity. It is a special time to find out what students think, what they like, and questions they may have. READING AVOIDS SUMMER SLIDE!

From Park View Reading Specialists

On May 8, two Park View students, Nico Drennan and Mike Almendarez performed as a part of Loudoun Youth Guitars at the National Institutes of health in Bethesda, MD. Loudoun Youth Guitars gave a performance for the staff, patients, and visitors to the Clinical Center. NIH’s Clinical Center is nation’s largest hospital devoted entirely to clinical research; several famous performers have performed there and several US presidents have visited the hospital.

Patriot Football News (14)

Hello Patriots,
I just wanted to update everyone on a few things that are happening with our Patriot football program. We had a good turnout for our spring practices this April and we got better as a team this month. We will have another practice on May 26 after school. I would encourage all players who can make it to attend this practice, this practice is not for rising 9th graders, we will begin working with them on June 17th. We will continue with our daily workout programs. Those players who have been attending regularly have seen tremendous gains in strength and explosiveness, along with gains in muscle mass. As importantly as the size and strength gains, we have created a tremendous team bond with those young men who are attending regularly. This comradery is vital to the success of a high school football team. Coach Anzoleaga and Coach Johnson have put in a tremendous amount of time and work with our players and it is paying off. I am hoping that those players who have not been attending regularly will begin to come to our workouts. Our summer weight room program is on our updated calendar.
All of the information can also be found on the Patriot Nation Athletic Website.
Upcoming Football Dates to Remember:
May 23- Pancake Breakfast at Joes. Players should report to Joe's by 7:45.
May 26- Practice from 4-6 pm. Bring cleats and sneakers in case we have to move inside.
May 28- Physical night at Potomac Falls.
May 30- We will need players and parents to volunteer to help at the 1st Park View Athletics Car Show. Times will be coming soon.
June 4 (4-6 pm) and June 13 (8-10 am)- Leadership Class I and II. All players are invited to attend.
June 17- 1st day of Summer Weight Training; 1st day rising 9th graders can attend PV football activities
June 22-25- Park View Team Camp at West Springfield HS; flyer attached. **If you can only do one off season event with us this off-season, this is the one to do.** We will meet at PV prior to going to West Springfield HS. We will have to have a carpool as there will not be bus transportation.
June 22-26- Park View Summer Camp with Loudoun County Parks and Rec.
August 3- First day of Varsity and JV practices.
I would like to remind everyone not to take family vacations in August. Each player is only allowed to have 3 unexcused absences from a practice during the entire season before they are removed from the team. During the August summer sessions, we have two practices a day. Therefore missing two days due to vacation would be missing four practices and result in dismissal from the team. Vacation time is unexcused and those absences will be unexcused.
1st day of practice; report to auditorium; meeting starts at 7 am. Bring cleats, tennis shoes, water or Gatorade, a snack and a healthy lunch. Players will not be able to leave campus during the day. Should bring items to shower and a change of clothes. We will have classroom meetings and film study after lunch on most days **Players need to have paperwork done before this day to practice.**
Rising 9th Grade Parents Information and Dates to know:
Welcome to the Patriot Football Program. We are excited about getting a chance to know and work with your son or daughter for the next several years. Below are some dates and information specific to you as the parents of rising 9th grade Patriots. football activities. We will have coaches there to teach and facilitate the lifting program. There is at least one PV coach at every off-season training or activity. Players meet at the back of the school by the weight room.

Library Media Center News

Reading Matters @Your PVHS Library

Summer doesn’t need to mean losing ground academically. According to research published by Johns Hopkins University, students can “lose more than two months of reading achievement” over summer break,¹ but this can be avoided by doing something very simple and totally free—going to the library. Students who read 12-15 books of their own choosing can avoid learning loss in reading altogether; some students’ reading abilities will even improve.¹

Fortunately, returning Park View High School students who have cleared their library records can check out as many books as they like to read over the summer. Summer checkout begins Wednesday, June 10, and books will not be due back until Tuesday, September 8. Because there is no summer school at Park View this year, the PVHS library will not be open during the summer--students are encouraged to stock up on books before school ends.

Park View families can also access a wide array of books and other materials at the Sterling Library, including a newly expanded selection of books in Spanish (libros en español) for teens. To encourage everyone to read and enjoy the library, Loudoun County Public Library offers an annual summer reading program. This year’s program theme involves superheroes; for teens, the theme is *Unmask!* Participants can either read books or complete fun library challenges to enter in weekly drawings and a grand prize drawing at the end of the summer. Sign up the Sterling Library beginning Wednesday, June 17.

Loudoun County Public Library offers events for all ages. For eight weeks this summer, there will be programs almost every day: book clubs, gaming, science, math, crafts, English conversation groups, movies and more. All Loudoun County Public Library programs are free, and more information is available at library.loudoun.gov.

Students can also volunteer at the Sterling Library. Teens will earn service hours and gain experience they can add to college and job applications. The types of volunteer opportunities are explained on the application form. Forms are available at your PVHS library and at Sterling Library. Teens interested in volunteering should bring their completed applications to Sterling Library, and will be required to attend an orientation session. If you have any questions about volunteering, please call the Sterling Library at 703-430-9500.

Your PVHS library staff has enjoyed working with the students, parents, faculty and staff of this great community during the 2014-2015 school year. We are looking forward to the 2015-2016 school year, and wish you a safe and happy summer. Don’t forget to read!

Reglas de la asistencia (10)

Reglas de la asistencia 2014-2015

Todas las notas de salida temprana deben estar en la oficina de asistencia antes de las nueve de la mañana o el padre del estudiante tendrá que entrar a la escuela a recoger el estudiante y a firmar la salida del alumno. NO se aceptan llamadas telefónicas para las salidas tempranas. Si la nota no está en la oficina de asistencia antes de las nueve de la mañana, una nota de permiso puede ser enviada por fax a la escuela para que el estudiante pueda salir temprano. El número de fax de la escuela es 571-434-4501. O pueden mandar un mensaje electrónico a Lynne.Rose@lcps.org o a Linda.Miller@lcps.org.

Para los estudiantes con permiso de salida temprana: cuando hay un horario diferente de lo normal, la salida temprana es basada en el período del día no en el tiempo. Por ejemplo: si el permiso de salida temprana es después del período 7, entonces el estudiante está requerido a estar en la escuela hasta el fin del período. El permiso no está basado en el tiempo.

No se aceptan las razones familiares como una razón justificada para la llegada tarde o salida temprana, a menos que la razón sea escrita específicamente clara.

No se aceptan de haberse levantado tarde ni de haber mucho tráfico como tardanzas justificadas aunque el estudiante tenga una nota escrita del padre.

Salidas tempranas para ir de viaje son sin excusa.

Todas las solicitudes de vacaciones, salidas del país, etc. deben ser presentadas en escritura al director de la escuela, Sr. Dolson para su aprobación. Todas las notas deben ser entregadas en un mínimo de dos semanas antes de la primera ausencia.

Se requiere la documentación apropiada para cualquiera ausencia, tardanza o salida temprana, para ser considerada con excusa. La documentación apropiada se define como una nota del doctor o dentista, sistema judicial o de otros documentos como se considere apropiado. No se aceptan notas de los padres como ausencia justificada.

PARA LOS ATLETAS: Para poder participar en una actividad deportiva o en la práctica de cualquier día, el atleta o gerente debe informar a la escuela hasta las nueve y quince de la mañana y deben permanecer en la escuela todo el día. Se pueden hacer excepciones para las citas del médico o dentista o razones aprobadas por el director de la escuela. Se requiere una nota del médico o dentista para calificar a esta excepción.

Por la ley del estado de Virginia sólo las siguientes son razones válidas para llegar tarde: citas médicas o dentales, enfermedad, judicial, o muerte en la familia. Para que una tardanza sea justificada, los padres del estudiante debe llamar o enviar una nota. **La nota de los padres NO excusará la cita médica, dental o judicial. Sino el estudiante debe proveer una nota del médico oficial o un documento de la corte para que la tardanza sea justificada.**

La salida temprana se permite por enfermedad personal, muerte en la familia, las citas médicas, comparecencias ante el tribunal o las fiestas religiosas. Un estudiante que desee salir de la escuela con una de las razones anteriormente mencionadas, él deberá presentar una nota de su padre a la oficina de asistencia antes de las nueve de la mañana. Si el estudiante se olvida de presentar su nota a la hora designada, el padre debe entrar a la escuela para firmar la salida del estudiante. **EN NINGUN CASO LAS LLAMADAS TELEFONICAS SERAN ACEPTADAS.** Si el padre se olvida de enviar una nota con el estudiante, tiene que enviarlo por fax o entrar a la escuela.

Esto es para la protección de su estudiante y la administración.
Muchas gracias de antemano por su cooperación.
