

Schoolinks Guide: Onboarding for Guardians

Getting Started

LCPS has provided your email to Schoolinks so that we can have an account waiting for you. The following instructions will help you log in!

Visit your ParentVue account to access Schoolinks.

Once in ParentVue, select **Schoology & Schoolinks** from the side navigation menu. Then, select **Schoolinks Login for Parents/Guardians**.

If you have trouble accessing your ParentVue account, please reach out to your school.

The image contains three screenshots illustrating the onboarding process. The top screenshot, titled "ParentVue Account Access", shows a login page for Loudoun County Public Schools with fields for "User Name" and "Password", a "Login" button, and links for "Activate Account" and "Forgot Password". The middle screenshot shows a side navigation menu with "Schoology & Schoolinks" highlighted in a red box. The bottom screenshot shows the "SCHOLOGY & SCHOOLINKS" menu with "Schoolinks Login for Parent/Guardians" highlighted in a red box.

Once you're logged in, you will see your Guardian Dashboard which includes any associated students determined by your district.

Use the side navigation or click on your student's name to explore other parts of the platform. You can review your student's assessment results, post-secondary goals, career and college favorite lists among other things.
