

New Beginnings Club

New Beginnings is a club for first-generation students and student from immigrant families. Our purpose is to educate students about the variety of career opportunities available to them after high school and empower them to feel more confident about their post-high school plans. Our club activities include projects, field trips, group volunteering, meeting professionals and college students, as well as our Christmas party and End of the Year Party.

What is first-generation? This means your parents did not attend college or university and you will be the first in your immediate family to attend college after high school.

Can I still join if I'm not first-generation or come from an immigrant family? Yes! Even though our main audience is first-gen/immigrant students, anyone who is interested is welcome to join.

When/where/what time do club meetings take place? We meet every first and third Wednesday of every month. Until January, we will be meeting at 8:30am in room 307. After December, our meetings will take place after school at 4:30pm every first and third Wednesday.

Who is the club sponsor? Mrs. Amanda Stoermer.

Who is the club president and how can I contact them? Our club has co-presidents, Celeste Silva-Carrillo and Valentina Smith Delgado. You can contact them through their school emails: 1035373@lcps.org and 1074885@lcps.org.
