## POTOMAC FALLS HIGH SCHOOL REQUEST FOR PRE-ARRANGED ABSENCE

DEFINITION: A pre-arranged absence is one which is authorized by the parent or guardian by completion of a Pre-Arranged Absence form. Class periods or school days missed can never be fully recovered. The school's obligation is to encourage good attendance and inform the student and family of the anticipated consequences of absence for personal or family business. The school encourages scheduling these activities at times which will not require absence from school.
