

## AP Testing Refund Instructions

Potomac Falls High School  
2020-2021

All students who do not take an exam they paid for will receive a full refund. 😊

You may cancel your test and request a refund by submitting the refund request form at

<https://forms.gle/ZGKP86rBJFpMbWxA9>

Please note you will continue to receive emails from College Board about your canceled test. You can ignore these emails. They will also send you a digital test ticket to use on test day. Please do not access this ticket. If you do, you will be charged for the test and a refund will not be issued.

All refunds will be processed by Financial Services in mid-June 2021 after AP testing ends for this school year.
