

Updated AP Testing Information

Potomac Falls High School

May-June 2021

Highlights of AP testing this year:

Distributed March 24, 2021

- ❖ College Board is offering three Administration testing windows this year. Loudoun County Public Schools (LCPS) has selected **Administration 2** as our primary testing window.
- ❖ In Administration 2, students test **May 18-28** with most of the exams taken digitally online at home. We are **not** able to accommodate personal preferences in testing format (at-home digital or in-school paper).
- ❖ Students taking a world language and/or music theory exam will be required to test in person, at school on May 21 due to College Board test security guidelines.
- ❖ Students taking a Calculus, Chemistry, Physics, and/or Statistics test are also expected to test in person, at school (May 24 & 25); however, they may elect to access a digital exam at home during Administration 3 (June 9 & 10) by emailing that request to Mr. Vogl at Matthew.Vogl@lcps.org by April 9.

Things a student must do before testing day:

- ❖ Check your College Board email address. College Board will send you important information, and your digital test ticket to login on test day, at the email address you gave them in registration. If you would like to change your email address, please go to the College Board website at collegeboard.org and sign into your account; click on “Account Settings”; and then go into “Registration”.
- ❖ Prepare your technology. On April 8, LCPS will distribute instructions to prepare your school-issued device (Chromebook or Academy ThinkPad) for AP testing. You will need to download a lockdown browser application, a digital test application, and a recording application (if you are taking a world language and/or music theory exam). Use of an LCPS-issued device is highly recommended so that the LCPS Help Desk can support you if needed.

College Board guide for digital testing is available at

<https://apcentral.collegeboard.org/pdf/ap-digital-testing-guide.pdf>

Please do **NOT** download any applications on your computer until your AP teacher directs you to do so!

- ❖ Use review resources. AP Classroom has daily review videos created by AP teachers that can help you prepare for your test(s). Please check out <https://apstudents.collegeboard.org/ap-2020-2021/ap-daily>

Things a student does on testing day:

- ❖ Arrive (or login) on-time! You will not be able to test if you are late.
- ❖ Show your “green check” for symptoms on your cell phone (tinyurl.com/PFH-Checker) at the Main Entrance if coming to the building.
- ❖ Cell phones must be **turned off** and placed in your bag – not in your pocket!
- ❖ Bring your sharpened pencils, pens, snack/bottled water, and calculator and Chromebook (if needed) to your desk. Place your bag/backpack along the wall.
- ❖ You **cannot** access your bag again until testing ends in your room.

AP Testing Schedule May-June 2021

Test	Date & Time	Test Format
AP 2-D Art and Design	Submission due by May 20, 12 PM	At Home Submission
