We have not yet used DeltaMath in class, so here are the instructions for logging in for the first time:

1. Go to [deltamath.com](http://deltamath.com) and click on “Create Account”
2. My teacher code is: **763926**
3. Select which block you are in
4. Fill in the rest of the information that it asks for – please use your lcps email address.
