The Potomac Falls SCA Leadership Class is designed to develop leadership skills in students through committee work, presentations, independent assignments, service hours, daily writing assignments, and interaction with other students and teachers. Space in the class is limited; therefore, the application process is competitive.

This is a year-long elective including SCA Officers and Leadership students working collaboratively. If you have worked on your Advisory Board previously, this is a perfect opportunity for a more active involvement.

Several components will be considered in the SCA Leadership application process:

- The written application (including the short answer questions)
- Teacher recommendations
- An interview conducted by current senior leadership students with sponsor present
- Attendance and disciplinary records

Furthermore, SCA Leadership students are individuals with strong character and exemplary behavior. An applicant should demonstrate the four pillars of Leadership (Integrity, Cooperation, Service, and Passion) through their actions both in and out of the classroom.

In addition to regular classroom assignments which follow the Career and Technical Education curriculum for Project Management, you will be expected to put in a considerable amount of time and effort outside of school. As a leader, you are a role model. You are required to abide by the signed alcohol/drug free pledge and to conduct yourself as a responsible, positive student, as you are a representative of Potomac Falls High School.

I have read the information provided above, and I understand the eligibility requirements for the SCA Leadership Class and would like to be considered for the course titled, Project Management.

Short Answer Questions:
Please type your responses and limit your answers to no more than three to five sentences and no more than one page total for all five responses. Staple your answers to this sheet of paper.

1. What do you hope to gain from the SCA Leadership class?
2. Name and evaluate your favorite PFHS event from the past year and suggest at least one idea to improve the activity.
3. What are your ideas for future activities and detail the steps you would need to take to achieve your goal?
4. What is one value you live by? Explain how it affects your life.
5. What is your favorite thing about Potomac Falls and why?

Please provide the name of three teachers we can approach on your behalf. These are teachers who would speak positively about you and would recommend you for the SCA/Leadership program. It is wise and common courtesy to ask teachers if you can add their name as a reference PRIOR to submitting the name on any document.
