CURRICULUM FEATURES
Academies of Loudoun (ACL)- The mission of the Academies of Loudoun is to empower students to explore, research, collaborate, innovate, and to make meaningful contributions to the world in the fields of science, technology, engineering, and mathematics. ACL is made up of 3 programs:
- Monroe Advanced Technical Academy (MAT) - offers advanced technical training to LCPS students, including industry-standard certifications and licensure, as well as college credit through articulations agreements.
- Academy of Science (AOS) - The LCPS Academy of Science offers an extremely rigorous integrated math and science program for students selected through a competitive admissions process.
- Academy of Engineering & Technology (AET) – This is an integrated program with a strong STEM focus. Students are selected through a competitive admissions process.

Distance Learning – Courses that are taught in another LCPS classroom and broadcast in real-time to another school.

Dual Enrollment (DE)- students may select from classes at Northern Virginia Community College or other area colleges to earn both college and high school credits.

Virtual High School (V)- courses that are taken online.

Advanced Placement (AP) - contains at least first-year college level work.
Honors (H)- most rigorous, exceeds grade level norms.
Academic (A)- demanding, often exceeds grade level norms.
