

Comments in reports: This applies to the Student Assignment Report

Single Student – Single Assignment:

Example – Johnny was absent the day that this test was due

Grade	Comments	Date Observed
B	52	9/20
C	46	9/20
B	50	9/20
A+	60	9/20

In Quick Grades, there is a column marked 'Comments'

Single Assignment – All students

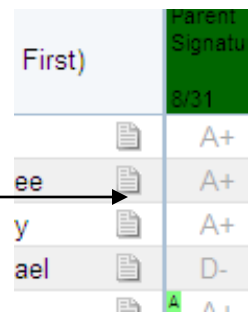

When you create the assignment – Narrative

Single Student :

In Grade Grid, right next to the student's name, is an icon that looks like a notepad.

Click on that, then: Notes / New / Give it a Title / Type the note, then Save.

Notice that you can save several notes, to make a type of data-set.
