GUEST SPEAKERS

ANUP GHOSH - CHIEF STRATEGIST

Anup Ghosh is Chief Strategist, Next Gen Endpoint at Sophos. Ghosh was previously Founder and CEO at Invincea until acquired by Sophos in March 2017. He was a Program Manager at DARPA, where he created and managed cyber security programs. He is a frequent on-air contributor to CNN, CNBC, NPR, ABC World News, and Bloomberg TV. A number of major media outlets carry his commentaries on cyber security issues including the Wall Street Journal, New York Times, Forbes, AP, FoxNews, and Federal Times.

WARREN HOLSTON - TECHNICAL OPERATIONS OFFICER

As a career Technical Operations Officer, Mr. Warren Holston has worked throughout the Intelligence Community, Department of Defense, and defense industry for more than 30 years. He has served as a U.S. Navy Explosive Ordnance Disposal Diver, a collection officer and senior manager in the Central Intelligence Agency, and a Subject Matter Expert in manhunting for the Department of Defense U.S. Special Operations Command. Mr. Holston has managed and conducted counterterrorism, covert action, and technical collection operations worldwide.

TERESA SKEHAN - ASSOCIATE PARTNER/PROGRAM LEADER

Associate Partner/Program Leader for Security Risk Advisors and Security Experts, Cyber & Biometrics Service Line; providing thought leadership to the design, creation and execution of compliance policies, programs, & procedures including Data Security & Privacy controls. Throughout career, recipient of numerous Premier Achievement Awards, President's Award, Technology Breakthrough Award, and MVP awards. Master's Degree in Security Engineering Management, several ISACA & IAPP Certifications and Associate Director of Academics for ISACA Greater Washington, D.C. Chapter.

DAVE WHITE - CEO

Mr. White has worked on behalf of the United States' Government in a broad range of roles, missions, and agencies in the Intelligence and Defense Communities for 30 years. His intelligence experience includes directing imagery and signals collection operations, leading analytical teams, and "identity intelligence" with a focus on biometrics, behaviors, and biographical data. Mr. White is CEO, Spartan Security Consulting, LLC in Herndon, Virginia.
