

Los números y las matemáticas

Directions: Using the clues, write the number of each part of the equation in Spanish. Remember to solve the equation in Spanish, too!

**Example:** *Number of Snow White's Dwarves(SIETE)+ the number of seasons in a year(CUATRO)=(ONCE) (7+4=11)*

1. Number of innings in a baseball game(\_\_\_\_\_) + number of babies in a set of quintuplets(\_\_\_\_\_) = \_\_\_\_\_
2. Number of sides in a triangle(\_\_\_\_\_) + the price of two \$5 footlong subs at Subway(\_\_\_\_\_) = \_\_\_\_\_
3. Number of cushions on a loveseat(\_\_\_\_\_) + number of hours in a day(\_\_\_\_\_) = \_\_\_\_\_
4. Number of blocks you attend school(\_\_\_\_\_) - number of days in a week(\_\_\_\_\_) = \_\_\_\_\_
5. Number of siblings to Ron Weasley(\_\_\_\_\_) + number of siblings to Edward Cullen(\_\_\_\_\_) = \_\_\_\_\_
6. Number of sides on a stop sign(\_\_\_\_\_) + number of eggs in a dozen(\_\_\_\_\_) = \_\_\_\_\_
7. Number of letters in the Spanish alphabet(\_\_\_\_\_) + number of letters in the English alphabet(\_\_\_\_\_) = \_\_\_\_\_
8. Number of days in February in a leap year(\_\_\_\_\_) + number of months in a year(\_\_\_\_\_) = \_\_\_\_\_

9. Number of deans at Stone Hill(\_\_\_\_\_) + number of Assistant principals at Stone Hill(\_\_\_\_\_) + number of guidance counselors at Stone Hill(\_\_\_\_\_) + number of hours in a day(\_\_\_\_\_) = \_\_\_\_\_
10. Number of states in the U.S. (\_\_\_\_\_) + number of countries that border the U.S. (\_\_\_\_\_) + number of oceans that border the U.S. (\_\_\_\_\_) = \_\_\_\_\_
11. Number of arms on an octopus(\_\_\_\_\_) + number of horns on a unicorn(\_\_\_\_\_) = \_\_\_\_\_
12. Number of dalmatians from a Disney movie(\_\_\_\_\_) - number of continents(\_\_\_\_\_) = \_\_\_\_\_
13. Number of hours you spend at Stone Hill in a regular week (5 days) (\_\_\_\_\_) + number of years between presidential elections(\_\_\_\_\_) = \_\_\_\_\_
14. Number of kids in the Duggar family(\_\_\_\_\_) + number of kids in the Gosselin family(\_\_\_\_\_) = \_\_\_\_\_
15. Number of stripes on the American flag(\_\_\_\_\_) + number of stars on the American flag(\_\_\_\_\_) = \_\_\_\_\_
16. Number of years in a decade(\_\_\_\_\_) + number of minutes in an hour(\_\_\_\_\_) = \_\_\_\_\_
