VISION

Study hall once a week held by coaches to help students keep up with homework during the sports season
Once a week for 30 minutes students meet with an Advisor to discuss life/academic issues.
Tutoring held after school to help students prepare for exams and SOL's at the end of the school year
support services as it relates to the students IEP.
The process to identify students who are struggling in school. Put interventions in place to address students learning needs
Online gradebook for parents to check on attendance and grades.
Students can access computer labs during the school day and after school to work on the internet or print documents.
Time to meet with teachers every other day to remediate and make up missed assignments.
A support service in place for students who are medically confined to the home.
Free online learning academy to help students review material.
Open before school from 8-9 and after school until 5pm for students to complete work.
Math tutoring and help organized through the Math Honor Society.
Math help by Math teachers outside the cafeteria everyday during lunch.
French tutoring from the NFHS during FLEX and after school in Library.
Tutoring done by National Honors Society students after school in Library.
Held at the beginning of the year for new parents to gain information about the school
Contact the School Counseling office for a list of published tutors for a variety of contents.
Helps with organization, child study support, and reading support.
Held during FLEX and after school by teachers to prep for the SOL's
Occurs Saturday's, after school and through FLEX.
Resource for students who need help with technology around the school
Online blackboard for teacher classrooms. Hosts a variety of information about your students classes.
