A Closer Look at Differential Reinforcement and How It Can Change Behavior

Wednesday, November 20, 2019

9:00 am—11:00 am

LCPS Administrative Building

21000 Education Court

Ashburn, VA 20148

Differential Reinforcement (DR) is one of the most widely known, effective methods for improving behavior. Join us for a workshop on how use the principles of reinforcement to increase appropriate behaviors and reduce undesirable behaviors. It is essential to understand the function of your child's behavior and to identify potential reinforcers that will shape your child's learning and build skills. A follow-up to understanding the Message of Behavior workshop, this workshop will demonstrate how you can improve your child's behavior through the power of Positive Reinforcement.

What can I
do to
manage
behavior?

Register by calling **Parent Resource Services** at 571-252-6540,
or go to lcps.org/ParentResourceServices,
or [CLICK](#) to register online.

If, due to a disability, you need assistance to enable you to participate in a workshop or need an interpreter, call **Parent Resource Services** at 571-252-6540 at least five business days prior to the event.
