

2019-2020 ASHBURN ELEMENTARY SCHOOL STUDENT SUPPLY LIST

Below you will find a list of school supplies that will help your child be ready to start school on August 22, 2019. This is a generic grade level list - each teacher may request additional materials when school begins. The children should come to school, on the first day, with these supplies. Please mark all of your children's supplies with permanent marker. All teachers have stressed the importance of each student having a back-pack or book bag to carry needed supplies to and from school. ***Please note that each student in grades K-5 is required to bring a set of stereo headphones-this item was NOT included in the supply boxes you may have ordered; therefore, you will need to purchase them or remember to bring yours back from last school year.**
