

# 4th Grade OTTW: 400 Years in 4<sup>th</sup> Grade!

## Content

4th graders journey through VA. Our studies include civics, geography, economics and the cultural and political changes during 400 years of VA history. We begin our travel from the first permanent settlement (Jamestown) and end at present day 21<sup>st</sup> century VA.

## Authentic Problem

In such a transient area, parents do not have the background to help their children make connections to Virginia history. How do we inform families and close the knowledge gap?

## Public Product

Students will create an interactive timeline that utilizes different medias to display 400 years of Virginia history.

## Connection to the World:

Families, other students, and members of the community will experience 400 years of VA history through our interactive timeline.
