

# MD OTTW: What Was Lost Lost is Found!

## Authentic Problem:

How can we help eliminate the waste of unclaimed clothing at AES?

## Connection to the Curriculum:

To provide opportunities for work-based learning related to student's career interests and program of study.

## Connection to the Community:

To help families of AES recover valuable lost clothing items.

## Public Product:

To provide an organized location for AES families to find and recover lost items.
