

**From the teacher's desk** Every year the librarians collect gently used books for the upcoming book fair. Since this is your child's first experience with a book fair, we wanted you to know the process. The children will be visiting the book fair **March 30<sup>th</sup>- April 2<sup>nd</sup>**. Books will be priced at 10¢-50¢ each. The first day they will begin buying and the second day is only for those with money. Please send your child's money in a zip lock bag with their name on it. If your child is going to purchase books, it is best that they bring money on the first day because the books are first come first serve and no books will be held.

## EVENTS

- 3/3 No School (Teacher Work day)

## Thank you!!

Thank you for donating to our class raffle baskets!

Your donations truly made our baskets amazing!

## LEARNING FOCUS

### READING

In reading, we will celebrate the end of our current reading unit "Bigger Books" and begin our next unit on Becoming avid readers! We will continue to use all of our reading powers while we read.

### MATH

In math, we will continue to review coins: identifying the name and value. We will also begin simple addition, using the terms part part whole, and then moving on to subtraction.

### WRITING

In writing, we will work on creating How to books. The children will choose one topic for their books, they will use pictures and words such as First, Then, Next, and Last to teach their reader something new.

### SCIENCE & S.S.

In Science, we will learn all about Magnets! The children will get to explore and understand the force of magnets. We will also discuss Spring and the different kinds of weather.
