REMINDERS

- *Please remember to check your child's folder EVERY DAY and take out all the papers. The folder contains work your child has done for the day or papers that you need to see.
- *It is very important that your child arrives to school on time every day. If they are continually tardy, we have found that it is hard for them to adjust to the rest of the school day.
- * Please plan your dismissal plans for your child in advance. We are not able to change your child's dismissal plan after 2:00.

LEARNING FOCUS

READING

In reading, we will be working on becoming Super Readers! We will learn to use our pointer power, reread power and partner power. We will even get personalized pointers to use in our reading workshop.

MATH

In math, we will continue to work on representing the numbers 0 to 20. We will compare numbers by playing different games. We will continue to practice math on the computer program Dreambox.

WRITING

In writing, we will be writing three page stories using speech and thought bubbles. We will also learn how to edit our writing, making sure that we spell our sight words correctly.

SCIENCE &

S.S. In Science, we will continue to observe the changes that Fall brings. In S.S., we will discuss the past and the present and events of Thanksgiving.
