LEARNING FOCUS

READING

In reading, we will work on reading environmental print, discussing the differences between fiction and non-fiction books, and reading independently as well as with a partner.

MATH

In math, we will learn how to represent the numbers 0 to 10 using ten frames, tally marks, numerals, dice, dominos, words, and pictures. We will also work on counting orally.

WRITING

In writing, we will work on writing our name and new sight words. We will also work on using our new sight words in sentences.

SCIENCE &

S.S. In science, we will discuss the changes in our environment as we move into Fall. In social studies, we are learning about being a good citizen in our classroom and school.
