

Cool Spring Elementary School
Parent Input Class Placement Information for 2019-2020 School Year

Dear Parent/Guardian,

This parent input placement information form is an opportunity for parents/guardians to provide input as the teachers and I begin planning classes for the 2019-2020 school year. You know your student in many different ways, this information will be helpful as staff and administration make classroom placements for next school year. **Do not request a specific teacher.** As you are aware, staffing does change from year to year and all of our Cool Spring teachers are highly qualified, strong educators. Please take a few minutes to share with us your perspective in terms of your student as a learner- what you feel your student's strengths and weaknesses are, the type of classroom your student thrives in, as well as other information such as social relationships and interests. I will of course have input from your student's current teachers. Additional comments may be added on the back of this page if necessary. We look forward to continuing to provide a positive and successful learning experience for your student. **Forms should be returned electronically or in paper form to Mr. Cadwell by Wednesday, May 22, 2019 in order to be considered.** Your input is appreciated. Final student placement will be made by the administration of Cool Spring based on all of the information received and reviewed and in the best educational interests of the students.

Sincerely,

Chris Cadwell
Principal
