## Additional Loudoun County Public School Resource

### Food Services 571-252-1010

**Free and reduced priced meal applications are available all year.** Anytime there is a change in employment status or wages, a new application may be filled out and sent to Food Services for approval. Please note that a social security number is not required for approval. This process is a year long process not just at the beginning of the year.

**For help and assistance with any of these resources, please contact:**
