Creating a Positive Climate for Division-Wide Excellence
Designing Systems for Academic & Behavioral Success for ALL Students in ALL Settings

- The school’s vision sets the stage for success.
- The school community shares common language.
- Common practices are used consistently among students and staff in all areas.
- Builds capacity and maintains sustainability.
- Provides on-going training and technical support.
- Facilitates collaborative teamwork.

In the classroom. On the playground. In the library. On the bus.

Essential Features of School-wide Positive Behavioral Interventions and Supports

- Staff clearly define and teach expectations.
- Schools develop a continuum of procedures for supporting positive and addressing negative behavior.
- PBIS teams continuously monitor for effectiveness.
- Data analysis drives decision-making.

PBIS - a research-based approach to effective discipline

Coaching Support for All PBIS Schools

- Builds capacity and maintains sustainability.
- Provides on-going training and technical support.
- Facilitates collaborative teamwork.

Academic & Behavioral Systems

- ~80% Students
- ~15% Targeted Group Interventions
- ~1-5% Intensive Individual Interventions

Universal Interventions
What are participants saying about PBIS Training

“We left with a plan for implementing PBIS – it will be very effective in our new school.”
– School Counselor

“I learned a lot of great ideas to implement into my classroom! I hope to help create a positive learning environment for my students and colleagues!”
– Classroom Teacher

“This training was relevant and engaging.”
– School Social Worker

“I am very excited about this and feel much more knowledgeable about PBIS. Teamwork will put it in place.”
– PBIS Coach

“The two day workshop was informative and offered strategies that can be transferred to my school setting easily.”
– Administrator

Join the journey to excellence for ALL students with school-wide PBIS.

Effective implementation results in:

- Increased school community support and collaboration.
- Improved school climate.
- Increased academic achievement.
- Reduced office referrals & suspensions.
